PURPOSE OF THE EVENT

Did you know.....

That over 65% of children served by UCP have disabilities other than Cerebral Palsy?

SILENT AUCTION

The Mission of United Cerebral Palsy of the Inland Empire is to advance the independence, productivity and full citizenship of people with disabilities.

Our programs and services are offered at no cost to families that are qualified through the Inland Regional Center.

We receive partial funding through the Inland Regional Center. The remainder comes from fundraising events, like the Dennis James Golf Classic, which are held throughout the year, along with generous individual & corporate contributions and community grants.

We have a dedicated staff of over 180 and a wonderful group of volunteers, who are fully committed to the fulfillment of our Mission.

What often comes as a surprise to those unfamiliar with our organization, is that we provide these services to people with various developmental disabilities including mental retardation, cerebral palsy, autism, Down's syndrome, Epilepsy, Asperger's syndrome, along with other special needs.

With your participation and support of this event, you make a difference in the lives of hundreds of children with disabilities, throughout the Coachella Valley.

THANK YOU

Brad James, Mrs. Micki James & Dennis James, long time friends and supporters of United Cerebral Palsy. For 47 years Dennis James served as the host of the UCP telethons which raised over 700 million dollars nationally. Dennis James was honored in 1965 by former President Eisenhower, with the "Humanitarian of the Year" award, for his lifetime achievements.
