Event Sponsorship and Participation

United Cerebral Palsy of the Inland Empire was founded in 1985. Our mission is to advance the independence, productivity and full citizenship of people with disabilities.

Our programs and family support services are offered at no cost to qualified families.

We receive partial funding through the Inland Regional Center. The remainder of our funding comes from fundraising events held throughout the year, along with generous individual contributions and community grants.

UCP provides support programs to families of children with disabilities. Our In-Home Respite Program sends a trained, certified caregiver into the home, allowing families a much needed opportunity to rest or run errands.

Our Community Integration Programs provide opportunities for our children to learn vital social skills and the independence to participate in typical childhood activities, like bowling, Arts & Music computer technology, Girl Scouts activities and other social outings, enhancing their ability to live...

Life WITHOUT LIMITS

Life Without Limits
For people with disabilities.
