Benefitting United Cerebral Palsy of the Inland Empire and over 300 families of children with disabilities throughout Riverside and San Bernardino Counties

Benefitting United Cerebral Palsy of the Inland Empire, founded in 1985.

Event Sponsorship and Participation

Our mission is to advance the Independence, productivity and full citizenship of people with disabilities.

Our programs are offered at no cost to qualified families.

We receive partial funding through the Inland Regional Center for our In-Home Respite Program. The remainder of our program funding comes from fundraising events held throughout the year, along with generous corporate & individual contributions and community grants.

UCP provides two main programs to families of children with disabilities. Our In-Home Respite Program sends a trained, certified caregiver into the home, allowing families a much needed opportunity to rest or run errands.

Our Community Integration Program, Skillbuilder's, Provides opportunities for our children to learn social skills and to participate in typical childhood activities like bowling, and in various other local community events and activities.

In 2009, and in collaboration with the Girl Scouts of San Geronio Council, UCP Invested our own Girl Scout Troop 106, designed to accommodate the participation and special needs of young ladies with developmental disabilities.

With your support, we will continue to provide our youth with even more opportunities to live...
